Dear Ms. Venables:

I commend you and your board for participating in a Board Development Foundations Workshop. I have enclosed a certificate to commemorate your accomplishment.

This certificate is a small way of recognizing the volunteer time and effort you and your fellow board members set aside to participate in the workshop. I applaud your dedication to improving your organization. It will strengthen the volunteer community for all Albertans.

As Minister of Community Development, I wish all of you well as you pursue your organizational goals.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary".
